TERMINAL DISCLAIMER UNDER 37 CFR §3.73(b) AND §1.321(b)

Pursuant to 37 CFR §3.73(b), Vivid Technologies, Inc., a Massachusetts corporation, certifies that it is the assignee of the entire right, title, and interest in the above application by virtue of an assignment from the inventors of the patent application identified above. The assignment was recorded in the Patent and Trademark Office during prosecution of U.S. Patent No. 5,319,547, of which the above-identified patent application is a continuation application, at Reel/Frame 5806/0056 on February 14, 1991, and a copy thereof is attached hereto.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

Pursuant to 37 CFR §1.321(b) and to obviate a double patenting rejection, Vivid Technologies, Inc. hereby waives and disclaims the terminal portion of the term of the entire patent to be granted upon the above identified application subsequent to

Date of Deposit March 26, 1995
I hereby certify under 37 CFR 1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated above and is addressed to the Commissioner of Patents and Trademarks, Washington, D.C. 20231.

the expiration date of U.S. Patent No. 5,319,547. Any patent granted on the above identified application and U.S. Patent No. 5,319,547 will expire on the same day. Further, any patent granted on the above identified application shall be enforceable only for and during such period that said patent is commonly owned with U.S. Patent No. 5,319,547.

Vivid Technologies, Inc. does not disclaim any terminal part of any patent granted on the above identified application prior to the expiration date of the full statutory term of U.S. Patent No. 5,319,547 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title as stated above.

This disclaimer runs with any patent granted on the above application and is binding upon the grantee, its successors or assigns.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may

jeopardize the validity of the application or any patent issued thereon.

ASSIGNMENT

For valuable consideration, we, Kristoph D. Krug of Waltham, Massachusetts; Jay A. Stein of Waltham, Massachusetts; Adam L. Taylor of Waltham, Massachusetts; hereby assign to Vivid Technologies, Inc., a Massachusetts corporation having a place of business at 275 Wyman St., and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are subject of an application for United States Patent signed by us this day, entitled DEVICE AND METHOD FOR INSPECTION OF BAGGAGE AND OTHER OBJECTS

this assignment including said application, any and all United States and foreign patents granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

IN WITNESS WHEREOF, I hereto set my hand and seal at WALTHAM.
